I can't believe it... seems the older I get, the hornier I get. My sex urge has tripled since I turned sixty. Imagine what I'm gonna be like when I turn seventy. Unfortunately, my ex is not enjoying the benefits of my enhanced libido. But I don't care! I have to be careful now that I'm hornier. I look at guys like I want to have sex with every one of them. My clit and nipples are more sensitive and ache to be touched and licked. I can satisfy myself only so much with my toys, then I have to just give it up to a man.

plea bargain Pammy

Pammy called out from the backseat. “Keep going. I know it’s around here somewhere . . .”

His beefy hands gripping the wheel, Detective Beauchamp glanced at his passenger and sighed wearily. District Attorney Mixon rolled his eyes, appearing equally outdone with the pretty lady in the backseat of the unmarked squad car.

Pamela—aka “Pammy”—Barham had been facing life in prison for her role in a senseless situation. Now, however, in exchange for her cooperation, she was looking at a reduced sentence.

Pammy had bound Mr. and Mrs. Kendall with rope while Chuck, her boyfriend, had held them at gunpoint. Having claimed a considerable booty of cash and jewelry from the master bedroom, Pammy had returned to the living room just in time to watch her boyfriend tie up the Kendalls.

Agreeing to testify against Chuck in exchange for a lighter sentence, she had also copped to knowing the location of the loot. But now their star witness didn’t seem so sure. They had been driving around for a good hour with nothing to show for it.

Both Beauchamp and Mixon were starting to suspect that Pammy had lied. Perhaps she had just been looking for an opportunity to get out of her dingy cell and enjoy a scenic drive in the country. After all, it was a beautiful spring day, ideal weather for a picnic.

“Pull over,” Mixon told the detective.

Beauchamp braked on the rocky shoulder.

The frustrated D.A. turned to face the backseat. “You’re stalling, Pammy. And I don’t like it. We’re busy men, the detective and I, and don’t have time to play silly games . . .”

“I’m not playing games,” Pammy said. “Everything looks so different now. It was dark.”

Mixon turned up the heat. “You’re only hurting yourself. Life without the possibility of parole. How does that sound, Pammy? You ready to grow old and senile inside a steel cage?”

She said, “I want more in return.”

Beauchamp exploded. Releasing the wheel, he swiveled and scowled at their prisoner. “Forget it! You’re damned lucky—”

“Name it,” Mixon interrupted the detective.

Beauchamp looked at the D.A. like he was crazy. “You can’t be serious, man. We’re already giving her way more than she deserves.”

“I want Chuck to fry,” Mixon said matter-of-factly. “If Pammy here wants us to sweeten the pot . . . well, I’m willing to listen.”

Beauchamp didn’t like it. Not one damned bit. Still, he shut up long enough to listen to Pammy.

“I want two hard cocks,” she told them matter-of-factly.

Mixon and Beauchamp sat there in silence as Pammy elaborated on the matter. She had already been incarcerated for several months in the county jail, add this to the lengthy prison sentence she was sure to serve after the trial and she was looking at a protracted dry spell.

“Dry spell?” Beauchamp inquired.

“Sexually,” Pammy explained. “De-

Both Beauchamp and Mixon were starting to suspect that Pammy had lied. Perhaps she had just been looking for an opportunity to get out of her dingy cell.

The D.A. was a happily married man, but his wife wasn't exactly dynamite in the bedroom. More like a firecracker, he thought.

tective, don't play dumb. You know what I'm talking about. No dick, no cock, no big meat hammer for my pussy."

Mixon marveled at her colorful vocabulary. Her words painted quite the vivid picture, so vivid, in fact, that he found himself getting a hard-on. The D.A. was a happily married man, but his wife wasn't exactly dynamite in the bedroom. More like a firecracker, he thought. Make that a sparkler. Pammy on the other hand was a hot piece of ass itching to be pounded good and proper.

He regarded Beauchamp. "How about it, Detective? You in? She'll give up the loot if we fuck her. Sounds like a no-brainer to me."

The no-nonsense cop smiled for the first time that day. "I'm game, Counselor!"

Having exited the car and descended a steep embankment, the horny trio found themselves a suitable clearing amongst a copse of maple trees.

Beauchamp removed Pammy's handcuffs. "Better?"

"Much better," she said.

Mixon had already taken off his clothes. Beauchamp did the same. Pammy couldn't peel her institutional jumpsuit fast enough. No sooner had her no-frills jailhouse bra and panties hit the ground than she grinned and licked her lips lewdly.

Towering above her crouched form, the D.A. and Beauchamp proffered their hard cocks. Pammy wrapped her fingers around the detective's dick and commenced to stroking him, nice and slow, her hand moving up and down.

Mixon's ball bag fit nicely inside Pammy's mouth. He moaned as she engulfed him. His star witness serviced his nuts with impressive skill, sucking and licking and lapping . . .

It wasn't long before she had taken the D.A.'s prick in her mouth. Still shucking the detective's shaft, Pammy, her lips cinched around Mixon's swollen member, sucked the attorney with slutty abandon, pumping her

head with a frenzied jerking motion.

Moments later, she released Beauchamp and took over with her mouth, licking his schlong from base to flared cap before engulfing him in earnest. Meanwhile, Mixon stood there jerking his junk patiently and feeling good for his colleague. Beauchamp, recently divorced, deserved it. No doubt the poor guy had been long overdue for some action.

Her mouth full of detective dick, Pammy lowered a hand between her slender thighs and rubbed her pussy. She was wet down there. Her fingers came away glistening. She wanted to taste them but didn't dare stop sucking Beauchamp's cock.

Until he told her it was okay. "Go ahead, Pammy. Lick those fingers. I know you want to taste your cunt . . ."

Given the green light, Pammy sucked her fingers with relish, loving the flavor of her pussy on them. The act turned her on even more, making her hotter and hornier than ever . . .

Removing her hand from her mouth, she deposited her skinny ass on the leaf-strewn ground and leaned back on her elbows. Then she spread her spindly legs, giving both men a nice view of her pink gash.

"Who's first?" she asked.

Beauchamp had insisted that Mixon go first. Mixon had insisted that Beauchamp go first. They went back and forth until Pammy, weary of the whole mess, solved the problem by turning on her side.

Mixon got on the ground behind her. His hip pressed to the turf, he guided his glans between her pussy lips and pushed his cock inside her. Pammy grunted as the D.A. entered her from the rear. Beauchamp, having occupied her other side, waved his stiff schlong in her face.

Sandwiched between the two men, Pammy offered herself on the proverbial silver platter . . .

Mixon screwed her with a jerky stabbing motion. Hers was a tight pussy, much tighter than his wife's, and he enjoyed it immensely. Beau-

She gave spectacular head, licking and sucking and never neglecting to incorporate his balls as she brought him closer and closer to the point of no return.

champ was a big man with meat hooks for hands. He used these to hold Pammy's head while he fucked her face. His enormous balls slapped her chin with each powerful thrust.

Things continued in this fashion until Pammy had both men pull out. She turned onto her other side. Now she offered her skinny ass to Beauchamp, her ravenous mouth to Mixon.

The detective poked her pussy while Mixon slid his prick between her moist lips. That he was partaking of sloppy seconds didn't seem to bother Beauchamp in the least. He finished where the D.A. had left off, giving no quarter as he drilled Pammy's cooze. Mixon lay there on her other side, his crotch eye-level with his star witness, marveling at the lady's oral skills. She gave spectacular head, licking and sucking and never neglecting to incorporate his balls as she brought him closer and closer to the point of no return.

"Oh shit," Mixon gasped.

"Fuck," Beachamp uttered.

Both men withdrew. Pammy rose to her knees. The detective and D.A. stood on shaky legs, then exploded in her face. Their cocks blasted her in unison. She took their combined load across the bridge of her nose, both cheeks, mouth and chin.

"Wow!" Pammy grinned through her cum mask. "That was fantastic!"

Beauchamp leaned against a tree to catch his breath. Mixon, younger and in better shape than the detective, gathered his clothes from the ground. Pammy remained on her knees until Beauchamp, having recovered, told her to get up.

"Get dressed," he said, "and take us to the loot . . ."

They traveled the road for less than a mile before Pammy told the detective to pull over. "This is it," she said. "I'm sure of it."

For the second time that day Beauchamp eased to the side of the road. Pammy had been handcuffed after getting dressed at the clearing. She led the two men down a hillside with

some difficulty.

Mixon watched her with bated breath. His case hinged on the loot. Without it, Chuck could very well walk. Pammy's testimony was vital, sure, but the satchel of the old couple's valuables would be indisputable evidence of his guilt.

"There!" Pammy pointed with her cuffed hands.

Beauchamp charged forward and plunged his hands into a clump of knee-high weeds near the base of a tree. Mixon breathed a sigh of relief when the detective produced the bag. He felt an immense weight lifted from his shoulders. Now all they had to do was take it to the precinct for proper analysis.

"Good girl, Pammy," the D.A. said.

He wore a triumphant smile. Until Beauchamp took out his revolver, raised the barrel and pointed it straight at him. Mixon didn't even have time to protest before a bullet punched through his forehead. The attorney dropped like a sack of cabbage, so much dead weight punctuated by a dull thud.

"Good shot." Pammy told the detective, "and even better acting."

Beauchamp said, "I was worried. For a minute there I didn't think you'd be able to find it . . ."

She raised her cuffed hands. "Take these off and let's get the hell out of here . . ."

The veteran cop complied like an obedient pupil. He was nothing if not pussy whipped. Many late-night visits to Pammy's cell had seen to that. The plan, hashed out over several weeks, had been her idea.

A set of street clothes for Pammy had been stowed in the trunk, two airline tickets in the glove box. Their passports were in order, Pammy's thanks to a forger who had owed Beauchamp a big favor.

Destination: Bolivia. Their flight departed in less than an hour.

The detective stepped on the gas. Pammy waited until they crossed a bridge, then tossed the gun into the muddy river below.

I can't believe I'm at this guy's house and there's another guy here taking pictures. Soon, we'll be fucking and he's going to take pictures, and make a video, too. I don't know if I'm ready for this, but I'll do my best. Two days later I saw some of the pictures from the shoot and I can't believe how sexy I look. Especially for my age. And to see that big dick in my tiny, tight asshole, well, that was a mind-blower. I'm glad I did it, and I'd do it again!

My first sexual encounter was in college over forty-five years ago. Since then, I've fucked many a guy and many a girl. I like all kinds of sex, especially anal sex. Once my butthole got used to things going in and out of it, I loved it. The sensations are much different than when my pussy gets fucked. But either way, sex is a great thing and I'm all for it! Aren't you?

FEELS SO GOOD IN MY ASS! 877-844-7825 MUST BE 18 TO CALL

Dear GILFs

Seriously Studious Snatch

There were two post-secondary schools in my hometown, the public community college and a private liberal arts college.

Unfortunately, I attended the former.

My best friend William, however, had been lucky enough to gain acceptance into the latter.

William was a bright guy, a straight A student in high school who had scored an impressive 30 on his ACT. Prestigious Ivy College had offered him a full ride. Tuition, private room, meal ticket, books, the whole damned enchilada.

As for me—well, I had barely graduated

town for his aunt's funeral, he had figured I could use a short vacation from my hum-drum living situation.

Of course, I had jumped at the opportunity. "Thanks, Will," I had told him over the phone. "I can't thank you enough." "Don't mention it, dude," he had replied. "I'll leave my key under the mat."

Friday, my first night in Will's room, was pleasantly lowkey; I watched some movies, drank beer (purchased with my fake ID), and smoked a lot of dope.

I slept late on Saturday, ordered a pizza for lunch, and spent the rest of the day exploring the campus. By Saturday night I was ready for some social interaction. Surely there would be some kind of party happening. I was just about to leave the room in search of a good time when somebody knocked on the door.

The girl in the hall, a skinny brunette with glasses, looked at me strangely. "Is Will here?"

"He's out of town," I said. "I'm a friend of his. Will's letting me stay here while he's gone."

"Oh," she said, clearly disappointed. "He didn't tell me."

"His aunt died," I explained. "It was kind of a last-minute thing."

She was hot in a nerdy kind of way.

Brainiac pussy, I reasoned.

"Hey," I said as she turned to leave, "do you know of any parties going on tonight?"

She froze in her tracks. Her mood seemed to change immediately. She regarded me with a bright smile. "You're looking for a party, huh?"

Ours was a party for two, and we didn't even have to leave Will's room. Her name was Shelby. We smoked a bowl of her weed, which was much better than mine. Then she went down on me . . .

I lay on Will's bed, a pillow propped behind my head, as she proceeded to give me fan-

THE OLDER THEY ARE, THE BETTER HEAD THEY GIVE!

As they say, nothing is better than experience, and I can vouch for that. Ever since college, I've always sought out older women as my lovers. When I was 20, I dated 40 year olds. When I was 25, it was 50 year olds, when I was 30... well you get the idea. I especially liked getting head from them. They have done it for years and really know what to do to make a man and his cock feel good. They know what to do with balls too,

and if you're into it, most will lick your ass! And do it right!

from high school. Now I was stuck at the community college with the rest of the losers. Like most of my classmates, I lived at home with my parents and commuted to school. I was envious of William.

He was living it up at Ivy, partying his ass off and getting all kinds of pussy while I was stuck in my old bedroom at my folks' house.

Major fucking bummer.

Imagine my elation when William offered me his room for the weekend. Going out of

tastic head. She lifted my pecker and licked the length of my shaft, varnishing me from ballbag to glans. Will had never mentioned Shelby by name, but it didn't take a genius to know that she was one of the chicks he had been fucking.

Having primed me expertly with her talented mouth, she raised her head and told me that her pussy was wet. Shelby had kept her nerdy glasses on, a plus for me as I had always yearned to ball some seriously studious snatch. My attending a lowly community college made things even better. Shelby had no idea that she was slumming, putting out for a guy who had made a laughable 15 on his ACT!

I rolled on top of her. She spread her spindly legs, receiving my stiff rod with a loud grunt. Shelby was tight. I thrust repeatedly, relishing the soft snugness of her pussy. She wrapped her scrawny legs around my waist, prompting me to fuck her harder, faster, deeper . . .

On the brink of blowing my wad, I slowed my movements to prolong our party. Then I withdrew and flipped her over. Shelby was more than willing to assume the doggy position. She looked at me over her shoulder and told me to hammer her fuckhole.

I granted her wish, of course. Holding Shelby's bony hips, I pounded her pussy good and proper. She came seconds before I pulled out and popped off. Mine was a massive and messy load.

I returned to my parents' house on Sunday morning. Will called me that night bitching about the cum stains on his sheets.

"Thanks a lot," he said. "Now I have to spend the next hour at the laundammat."

I couldn't relate. That was one of the few good things about living at home. My mother still did my laundry!

Sally's Out of Beer

It was the worst apartment I had ever lived in. And I had lived in some real shitholes, shar-

ing space with the roaches and rats. But it was all I could afford . . .

I made thirteen dollars an hour working as a dishwasher. Strictly lunch shift, Monday through Friday. This freed up my nights and weekends for writing. And drinking . . .

I submitted my work—poems and short stories—to webzines. Of course, these webzines didn't pay.

Those mar-

kets were reserved for a type of writing which seemed beyond my grasp, beyond my talent level, so I settled for the literary bush league, becoming just another underground writer in a scene teeming with freaks, wannabes, losers . . .

My mother thought I was crazy. My father was dead. Had he been alive I'm sure he would have disowned me.

Understand, I wasn't pursuing a dream. I had no goals, literary or otherwise. Writing was an escape, a form of self-therapy. I had no illusions about ever becoming a professional author. I wasn't good enough. My work was too crude, too lacking in nuance and depth.

I would submit a story, revisit it a few days later—invariably after its rejection—and spot glaring missteps, things I should have caught and rectified before sending said piece out into the world.

It was embarrassing and demoralizing.

Still, I kept at it. To my credit, I was nothing

if not self-disciplined. I drank a lot, sure, but only after I had done my work. Never before, never during. Drink was my reward for belting out five hundred words on a weekend afternoon, liquid light at the end of the proverbial tunnel.

I was a binge drinker.

Unlike my neighbor, Sally, a hardcore alkie.

Sally's driving privileges had been revoked after receiving one too many DUIs. Years of heavy boozing had eroded her hip. She walked with a cane. Her face was prematurely aged, her voice raspy from smok-

Sally sucked my cock sloppily, fondling my ballbag as she did so. Placing my hands atop her head, I thrust my hips, fucking her face with a series of quick jabs.

ing. She seemed a good candidate for throat cancer.

Sally thought nothing of banging on my door at all hours seeking a ride to the corner store for a six-pack of tallboys.

Now she was doing just that, rudely awakening me from a late afternoon nap. I stirred on my threadbare sofa—a hand me down from my older brother—and groaned.

Sally's out of beer, I thought.

I remained on the sofa, not sure if I was in the mood. She was persistent. The banging continued. Harder. Louder. Desperate . . .

"Mr. Bob! Mr. Bob!" she hollered. "It's Sally. Mr. Bob!"

"No shit," I muttered, sitting up and rubbing my gritty eyes.

Sally smelled like she hadn't bathed in days.

The alpine forest air freshener dangling from my rearview mirror was no match for her potency. At the store she gave me some cash, told me what she wanted, and sat tight while I went inside. I thought about grabbing a six-pack for myself but rejected this idea. I had to work tomorrow and didn't want to be debilitated by a hangover.

We returned to the apartment. I adjusted my walking speed to match hers, carrying her sack of beer as she hobbled beside me. I stood there at her door as she fumbled with her keys.

Then, eager to receive my payment, I followed her inside. No sooner had I stowed the beer in her refrigerator than she crouched before me and lowered my zipper.

Having set her cane against the wall and within reach, Sally started by licking and sucking my balls. She stroked my shaft with her hand, pumping me as she gobbled my gonads.

I peered at a flaky white scalp through thinning brown hair, trying to imagine, for the umpteenth time, what Sally had looked like before drinking had taken its toll.

It wasn't long before she withdrew her hand and devoured me in earnest. Sally sucked my cock sloppily, fondling my ballbag as she did so. Placing my hands atop her head, I thrust my hips, fucking her face with a series of quick jabs.

"Shit! Shit!" I cried out, shooting my load in her alkie whore mouth . . .

Sally remained crouched as I pulled out and reached for a roll of paper towels on the kitchen counter. I wiped myself clean and zipped up. I opened the fridge, plucked a cold one from the six-pack, and cracked it open.

Sally stood with difficulty, using the wall for support. She took the beer from my hand. Tilting her head, she poured the cheap suds down her throat.

I left her like that in her kitchen, knowing she would be knocking on my door in another day or two, wondering if the dasterdly cycle would ever end . . .

Hurray for sex. That's all I gotta say after discovering it is such a wonderful feeling. No wonder people want to do it for their entire lives. Just by looking at me, you wouldn't think I was such a fuck bunny, probably more of a librarian, but I got game! After I discovered sex, I just loved doing it. As I get older, it gets nothing but better. I like to start with some deep tongue kissing and let the rest of the day take it's course.
